FLORA

Inspired by nature, the softness of flowers and the curves of their foliage, the FLORA collection will bring beauty, delicacy and elegance to your bathroom.

The faucets in this collection are as durable as they are smooth and pleasant to use. All the details have been thought of to offer you a perfect experience.

Versatile & Flexible

The FLORA collection allows you to customize your faucet in two ways. Firstly, the different options of main and accent finishes allow more than 100 design possibilities. Even the installation is flexible. The shower system offers three possible layouts and you can choose to position the two-piece lavatory faucet's handle wherever you want.
