

KASTELLA

Shift Collection

The Shift collection represents the company's transition from a predominantly geometric aesthetic to the use of softer, rounded lines. The collection takes its cues from American mid century furniture as well as the simplicity and functionality of Scandinavian design. Through the rounded legs and soft edges, the pieces were designed to bring an effortless feel and a sense of lightness to the wood.

B107 | Bed

The B107 is a clean, simple understated design. The solid wood bed has soft round edges, curved legs and an angled headboard for extra comfort. Our goal was to craft a bed that was both durable in construction and light & effortless in appearance.
