

## EDIE PENDANT

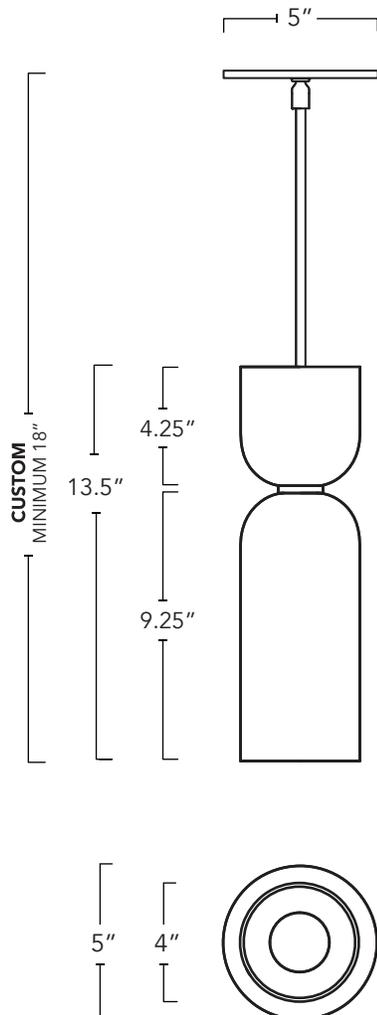

The Edie Pendant pairs two similar forms in hand-blown glass.

Pure shapes, geometry, rhythm and repetition create a harmonious whole when used in multiple, or a streamlined statement when used solo. A contrasting black-and-white color scheme evokes a Bauhaus sensibility.

Glass is available in either a glossy or a soft sandblasted finish. Vintage or blackened brass metals are hand-finished. Polished or satin nickel finishes are available by special order. Custom finish combinations are available.
