OVOLO

archilume

Welcome  
to the next  
generation of  
lighting.

#### THE BRAND

Archilume's glare-free decorative luminaires are a revolution in the use of innovative lighting technologies. Archilume's unassuming simplicity masks a design vision that transforms energy-efficient LED lighting into sleek, statement making luminaires. The lighting collections include pendant lights, chandeliers, and wall sconces as well as customized configurations to create impactful feature lighting installations.

Designed and manufactured in Vancouver, BC, Canada, Archilume's manufacturing ethics stem from a principle of maximizing the use of smaller local production facilities to create an inherently energy efficient product with a reduced carbon footprint. This business practice contributes to a healthy local economy with high standards of production quality.

"We have had huge success in building a practice using local manufacturing because of the high standards of quality control we can exercise with our fabrication partners," says Archilume owner and lighting designer, Saleem Khattak. "There are many small fabricators who do great quality work in British Columbia, and we value keeping this production alive and thriving in our home province."

Archilume captures the advancement in energy-efficient LED lighting technologies to create sleek glare-free lights in sculptural forms suited for ultra-modern to heritage-style interiors. The Archilume lighting line is intended for illumination at counter and bar areas, or in clustered formations as chandeliers in hotel lobbies, entrances, lounges and dining areas. The line is versatile and offers the option to order custom configurations.

## P1 OVOLO - PENDANT - INDOOR

Our first OLED technology pendant. Characterized by its ultra-shallow, soft, organic form, Ovolo creates a visually appealing and comfortable touch with its organic OLED technology and subtle allure followed by the idea of well-being.

The form behind Ovolo derives from a river rock with a shallow organic shape that produces an aesthetically pleasing look.

Ovolo is available in multiple anodized finishes. Crafted of aircraft-grade machined aluminum,

Ovolo's warm glow provides a light quality closest to natural night. Ovolo can hang as a single element or be grouped to create an inspiring lighting installation on a grand scale in dining areas, lobbies and stairwells.

### LIGHT SOURCE

Human centric OLED decorative pendant mount luminaire with machined aluminum housing and naturally diffuse light source.

3 watt dimmable OLED, 200 lumens, 3000K (30), 90 CRI, R9 >50. OLED is a light source that provides soft yet bright full spectrum illumination resulting in an artificial light that resembles daylight.
