

LEEK, Studio Mentsen ***Coat Rack***

Studio Mentsen's clothes hanger Leek brings together function, style, production, and respect for the environment in perfect harmony: three identical ash elements combined by two seemingly simple connectors shape an elegant, versatile, and timeless product. Each element, steam-curved and machined into variable sections, ensures stability and strength without sacrificing its sleek and minimal, contemporary lines. Compact packaging and intuitive assembly together with the FSC-certified wood species used in Zilio A&C production allow for a reduction in environmental impact - a nature-friendly choice, to be sure!

RENÉ, Tomoko Azumi

Bike rack

The bike rack René by Tomoko Azumi picks up on the trend of sustainable two-wheeled mobility: a smart piece of furniture that combines style and function in a solution that accommodates a bike, helmet, and jacket in the home - transforming them into an installation. Featuring a steam-curved wooden frame, René is complemented by a fabric band available in four different colors and a removable metal hook.

JUNE e FRANK, Simon Kämpfer ***Wall-mounted mirror and coat rack***

June and Frank by Simon Kämpfer are two products that play with a minimal ash element, natural or painted. In June, three modules distance the mirror from the wall, leaving space for a practical shelf and for a convenient multi-purpose hook at the bottom. The refined and lightweight Frank clothes hanger ensures sturdiness and elegance and fits into any corner of the home.

SLEDGE, Peter Otto Vosding Wall-mounted Coat Rack

Sledge, designed by Peter Otto Vosding, is a wall hanging with striking simplicity and a clean graphic language. Sledge's curved body is made of steam-curved ash, with the top receding slightly from the wall to provide a place to hang one's items. Two other small nylon hooks are recessed into the wooden surface and provide more space for smaller items, such as keys.

Dimensions: W. 35 mm D. 80 mm H. 615 mm

Finishes: Natural Ash, Lacquered Ash and small black nylon hooks included

Price starting at da € 55,30 + taxes

DOVE, Tomoko Azumi ***Waste paper basket***

Traditional Japanese washi art meets Scandinavian materials and palettes in Dove by Tomoko Azumi. A paper basket that becomes pure poetry. The thin sheet of natural ash wood wraps around a steel element for stability and strength. Super compact packaging, certified materials and natural colors complete the experience.

Dimensions: W22 D22 H30.

Finishes: Maple sheet and aluminum base

Price starting at € 146,00 + taxes

WOODSTOCK, David Dolcini ***Wall-mounted Coat Rack***

Playful and practical, the Woodstock coat racks, designed by Spaniard David Dolcini, are especially charming for their versatility. The stripped-down, simple geometry insists on echoing the archetypal wall hanging, becoming almost a "button" to play with in the almost infinite combination of elements.

Dimensions: W72 D72 H70 mm.

Finishes: Natural beech, Red/black/yellow colored beech
