" Beau Lake has staged a spectacular aesthetic revolt. "

- Robb Report

Beau Lake

Our Purpose:

To enhance the waterside experience today, and help conserve it for tomorrow.

Our Responsibility:

We believe water is a luxury. Protecting it and sharing it is our greatest calling.

Our Promise:

Elegance in motion.

The Water is Calling

A Call to Play

A Call to Care

Water is a luxury. We believe protecting the water is our greatest calling. Everything we design is driven by our mission to bring more people to the water - to hear its calling for both play and for protection. A portion of all profit supports water charities worldwide.
