# The Environmental and Experimental Architecture of Fujiki Studio, KOU :: ARC 2001 - 2024

---

Fujiki Studio of Kogakuin University, School of Architecture has achieved many results so far, including winning the International Competition [Grand Prix], Graduation Diploma Design [1st place in Japan], and holding a Solo Exhibition (invited) in the UK.

This time, we will hold an exhibition that brings together these results and traces the trajectory of the past 24 years.

If you are in the area, please come and visit us.
