

CALL FOR ENTRIES: THE BLT BUILT DESIGN AWARDS 2025

IS NOW ACCEPTING SUBMISSIONS IN ARCHITECTURE, INTERIOR DESIGN, LANDSCAPE ARCHITECTURE, AND CONSTRUCTION PRODUCTS.

As the doors open to submissions, both professionals and emerging talents are invited to join a community that celebrates and champions innovation. Whether you're an established architect, interior designer, landscape architect, or involved in construction products, the **BLT Built Design Awards** offer a prestigious platform for your work to be recognized as among the best in the world.

Switzerland – The renowned **3C Group** has officially opened submissions for the fifth edition of the [BLT Built Design Awards](#). These awards aim to acknowledge the expertise of professionals engaged in the realization of exceptional projects on a global scale, encompassing architectural firms, interior designers, landscape studios, and construction product innovators. The program is open to professional, emerging designers and students until **September 10th, 2025**, promising to attract entries from some of the most forward-thinking firms from all around the world!

In 2024, the awards received over 800 submissions from 57 countries, showcasing the astonishing range and quality of projects. The top winners included **Architectural Design of the Year**, which was awarded to **ATMOSPHERE** by **Krallerhof**, Germany, a standout project by **Hadi Teherani Architects**. **WOSA Sintered Stone Showroom** in Macau, created by **The Volks Design Research & Consulting Ltd.**, claimed **Interior Design of the Year**. In **Landscape Architecture**, **Benjakitti Forest Park** in Thailand, by **Arsomsilp Community and Environmental Architect + TURENSCAPE**, received top honors, and **System 02** by **The Backcountry Hut Company** from Canada took **Construction Product Design of the Year**.

Co-founder and Program Director, **Astrid Hébert**, said, "*With a record number of submissions this year, it's clear that the talent in architecture and construction is stronger than ever. A huge thank you to everyone who entered—your creativity is truly inspiring! We can't wait to celebrate the 2024 and 2025 winners at our grand ceremony in late 2025, and we invite all of you to submit again in 2025. The future of design is in your hands, and we're excited to see what you'll create next!*"

The 2025 jury, comprising experienced architects, designers, developers, academics, and media representatives, will select the winners in each category in October next year. Past jurors have included renowned professionals from around the world, such as **Rudi Stouffs**, Dean's Chair Associate Professor and Assistant Dean (Research) at the Department of Architecture, College of Design and Engineering, National University of Singapore; **Osaru Alile**, Principal Partner at **CC Interiors Studio**; **Pal Pang**, Chief Creative Officer at **Another Design International**; **Juliet Kavishe**, Executive Board Member of the Pan Afrikan Design Institute (PADI) and Vice President of the International Council of Design (ICoD); **Nicolas Sterling**, Co-founder and Director of **STERLING PRESSER Architects+Engineers**; **Sandra Baggeman**, Architect and Tutor at **Trahan Architects**; **Des Laubscher**, Co-Founder and CEO of **Greenside Design Center**, College of Design; **Serhii Makhno**, Founder and Owner of **MAKHNO Studio**; **Mohammad Ghaffari**, Architect and Designer at **Ghaffari Design Studio**; **Hannah Churchill**, Founder and Design Director of **hcreates interior design**; **Brett Rhode**, Founding Director of **Rhode Partners**; **Stanislas Helou**, Founder of **Thinking Luxury**; **Sonsoles Vela Navarro**, Founding-Partner of **studioVRA** and Associate Director of the Architectural Program at **Tulane University**; **Eason Zhu**, Founder and Design Director of **Fununit Design**; and **Ruben Garcia Rubio**, Founding Partner of **studioVRA** and Assistant Professor of Architecture and Urbanism at **Tulane University**.

Winning a BLT Built Design Award is a highly-recognized badge of excellence within the design, construction, and architectural industries. This accolade sets companies apart, positioning their projects as leaders in innovation and design. The BLT Built Design Awards offers four core programs: **Architecture**, **Interior Design**, **Landscape Architecture**, and **Construction Product Design**. This broad scope allows companies from all corners of the globe to showcase their exceptional work, regardless of location.

Register now to be a part of this exciting opportunity and take advantage of the early bird discount of 10% for registrations made before **April 30th**. Don't miss out - visit [bltawards.com](#) for more information and to register.

About the BLT Built Design Awards:

The BLT Built Design Awards recognize the expertise of all professionals involved in the realization of outstanding projects, on a global basis – from architecture firms and interior design experts, to construction products and project management. More information at [bltawards.com](#).

BLT Built Design Awards is a program under the 3C Awards, a leading organization curating and promoting design across the globe. The company represents today's diversity and innovation in lighting design, furniture design, interior design, and architecture. Each brand is a symbol of design excellence around the world, showcasing professional and emerging designers' work, to over 100 expert jury members. Developed by Hossein Farmani and Astrid Hébert, BLT Built Design Awards is managed by the 3C Awards under a larger organization called 3C Group, specializing in awards, marketing, media, and events. 3C Group is a sister company to Farmani Group, founded by Hossein Farmani. Farmani Group, established in 1985, is a leading global organization, curating and promoting photography, design, and architecture.

3C Awards is part of Three C Group GmbH, a Swiss-registered company based in Grabenstrasse 15a, 6340 Baar, Switzerland. More information at [3Cawards.com](#).
