

Flock of Light

STUDIO TOER

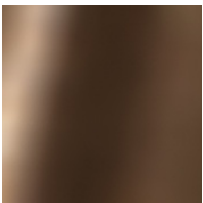

Flock of Light, designed by Studio Toer, captures that magical moment between day and night. This suspension lamp adds a touch of poetry to your interior like a light installation. Flock of Light is available in two sizes: Flock of Light 11 and Flock of Light 21, which feature 11 and 21 LED light sources, respectively, that are made from brass and bronze with semi-transparent acrylic diffusers.

Detailing

Like standing amidst a swarm of buzzing bright lights. Flock of Light captures the magic of a warm summer evening.
